

Midnight Memories

Captain Beyond

Oh, yeah
Lady, will you come here tonight
And let me love you again
Now it seems so long, yeah
Since you've been here
Won't you love me again
Lady, well it sure has felt right
In just the way that you love
Now it seems so long
Since you've been here
Won't you love me again

Well, I don't have any money to lend
Now that my fortune has gone
But, give me time, and I'll sing you a song
I'll try to sing it in tune
Now, that you've seen all of my love
Won't you love me again
Lovely lady, yeah

I don't have any money to lend
Now that my fortune has gone
But, give me time, and I'll sing you a song
I'll try to sing it in tune
Lady, yes I love you lady, baby yeah
Won't you love me again
Yes I love you lady
Lovely little lady, well
Won't you love me again
Won't you love me lady
Lovely little, lovely little lady
Won't you love me again
Ooh, ooh, ooh
Oh
