

## Thousand Days Of Yesterday (intro)

Captain Beyond

A thousand days  
I just can't wait  
A thousand days  
Mama, don't mind, no  
What you say  
All about the  
thousand days of  
yesterdays  
Mama, don't mind  
What you do  
She gonna love you  
She gonna love you  
She gonna love you  
Mama, don't mind, no  
What you say  
All about the  
thousand days of  
yesterdays
