

2000

Captain Jack

Remember me, the one in the military suit, in the big  
black boots  
The party till you drop videos, the female troops  
My shows were off the hook  
Read about me in the history books  
CJ gets played by your favourite DJ  
Clubs love the way we play  
All day all night, it don't stop  
Cause that's the way we rock  
My Friends all love me  
Their ladies wanna hug me  
In the year 1999 will be party time  
Keep it up 'til the year 2G  
But will you still remember me

WOHOO WOHOO, 2000 years in my life  
WOHOO WOHOO, I'm on your side  
WOHOO WOHOO, 2000 years passing by  
WOHOO WOHOO, You'll see the ...  
Light on Millennium

Next year what will you do, where will you go, who will  
know  
Will you sit around, do nothing, get up  
Do something, in the club jumping  
Will you stay in school or drop out like a fool  
Do you plan to get your job or steal and rob  
Will you find someone to call your own  
Or sit home alone  
Tell me, will you buy CD's or stick to LP's  
Questions eating your life like career  
But still need to be answered  
In the year 2G  
Will you still remember me

WOHOO WOHOO, 2000 years in my life  
WOHOO WOHOO, I'm on your side  
WOHOO WOHOO, 2000 years passing by  
WOHOO WOHOO, You'll see the...  
Light on Millennium, There's nothing better  
Light on Millennium, It's all I wanna see  
Light on Millennium, Nothing else matters  
Light on Millennium, 2000 years in my life
