

## Circles

Captain & Tennille

"He drew a circle that shut me out  
Heretic, rebel, a thing to flout  
But love and I had the wit to win:  
We drew a circle that took him in!"

He drew a circle that shut me out  
He was afraid of what love was all about  
Whenever I saw him he'd be there inside him  
Locking his heart in a place to hide him

But oh, love and I  
Knew just where to begin  
Yes, love and I  
Started a circle to spin  
Oh, love and I  
We drew a circle, a beautiful circle  
A wonderful circle that took him in

He was a quiet and lonely one  
He didn't know that his life had just begun  
I knew that I'd be the one to unwind him  
Then he could put all his fears behind him

And oh, love and I  
Knew just where to begin  
Yes, love and I  
Started a circle to spin  
Oh, love and I  
We drew a circle, a beautiful circle  
A wonderful circle that took him in

Lost in a circle, a beautiful circle  
A wonderful circle of love  
Lost in a circle, a beautiful circle  
A wonderful circle of love  
Lost in a circle, a beautiful circle  
A wonderful circle of love  
Lost in a circle, a beautiful circle  
A wonderful circle of love

And oh, love and I  
Knew just where to begin  
Yes, love and I  
Started a circle to spin  
Oh, love and I  
We drew a circle, a beautiful circle  
A wonderful circle that took him in

I love you all
