

Feel Like a Man

Captain & Tennille

I'm a woman who's cried
And I'm a woman who's lied
But I'm a woman who's tried
And I'm a woman, oh yeah
Who can make you
Feel like a man

(Ooh-ooh-ooh-ooh-ooh)

I'm a woman who's seen
How the world can be mean
And life can of you
But I'm a woman, oh yeah
Who can make you
Feel like a man

(Ooh-ooh-ooh-ooh-ooh)

Now if you're looking
For a sweet, young thing
Do your looking down another street
'Cause I'm the difference
Between lukewarm love
And heat, yeah

'Cause I'm woman who's kind
Makes a satisfied mind
And if you love me, you'll find
That I'm a woman, oh yeah
Who can make you
Feel like a man

(Ooh-ooh-ooh-ooh-ooh)

Now if you're looking
For a sweet, young thing
Do your looking down another street
'Cause I'm the difference, I'm the difference
Between lukewarm love
And heat, yeah

'Cause I'm woman who's kind
Makes a satisfied mind
And if you love me, you'll find
That I'm a woman, oh yeah
Who can make you
Feel like a man

(Ooh-ooh-ooh-ooh-ooh)
