

# God Only Knows

Captain & Tennille

I may not always love you  
But as long as there are stars above you  
You never need to doubt it  
I'll make you so sure about it  
God only knows just how much I love you

If you should ever leave me  
Though life would still go on, believe me  
The world would show nothing to me  
So what good would living do me?  
God only knows just how much I love you

Do do do...

God only knows just how much I love you  
If you should ever leave me  
Though life would still go on, believe me  
The world would show nothing to me  
So what good would living do me?  
God only knows just how much I love you
