

# Good Enough

Captain & Tennille

The first time I brought ya home  
My mama said, "He ain't good enough!  
I don't want my girl to be alone  
But I wonder is he good enough!"  
I was doing some worrying too  
And I was thinking, thinking 'am I good enough for you?'

The first time that I loved ya  
I know it was a little rough (little rough, little rough)  
But when at last, we were still, you asked  
"Was it good enough?" (good enough, good enough)

And I cried and looked in your eyes of blue  
Cause I'd been praying, praying  
I was good enough for you (am I good enough for you)  
Good enough for you (am I good enough for you)

Now I've got to set your mind at ease  
I've got to stop all your insecurities  
Cause if anything  
You're too good for me

Now it's strange how time's gone by  
Since the day that we fell in love (fell in love, fell in love)  
And still sometimes, we have to ask ourselves  
Was it good enough? (good enough, good enough)  
Time is bound to make us see  
Just how good 'good enough' can be (good enough can be)  
'Good enough' can be (good enough can be)

Time is bound to make us see  
Just how good 'good enough' can be (good enough can be)  
'Good enough' can be (good enough can be)

Good enough for you baby, oh-ho  
Are you good enough for me  
(Are you good enough for me)

Good enough for you baby, mm-mm-mm  
Are you good enough for me  
(Are you good enough for me)  
Good enough for you baby, oh-ho  
Are you good enough for me  
(Are you good enough for me)

Good enough for you baby, oh-ho  
Are you good enough for me  
(Are you good enough for me)

Good enough for you baby, ey, hey  
Are you good enough for me  
(Are you good enough for me)

Good enough for you baby, oh-ho  
Are you good enough for me  
(Are you good enough for me)

Good enough for you baby, ah-ha  
Are you good enough for me  
(Are you good enough for me)
