

# How Can You Be So Cold

Captain & Tennille

How can you be so cold  
When I'm so hot  
How can you be so distant and cool  
When I am not

I'm on fire  
And I'm burnin', burnin', burnin' with desire  
(Oh oh oh oh oh oh oh)

How can you walk away  
When I need you near  
How can you keep yourself way over there  
(There, there, there, there, there)  
When I want you here

I want you now  
I've got to have your love somehow  
(Oh oh oh oh oh oh oh)

I am tender to the touch  
And I want you very much  
Oh baby, and I'd be so good  
You know that I would  
I'd be so very good for you (oh oh oh oh)  
(Oh oh oh oh oh oh oh)

Oh oh oh oh...

I am tender to the touch  
And I want you very much  
Oh baby, and I'd be so good  
You know that I would  
I'd be so very good for you (oh oh oh oh)  
(Oh oh oh oh oh oh oh)

How can you be so cold  
When I'm so hot  
How can you be so cold, baby  
When I'm so hot

How can you be so cold  
When I'm so hot  
How can you be so cold, baby  
When I'm so hot

So hot, so hot  
So hot, ooh, I'm so hot  
So hot, yeah, I'm so hot  
Mm, I'm so hot, ooh, I'm so hot

Yeah, so hot, yeah, so hot  
Oh, so hot, ooh, I'm so hot  
Yeah, so hot, whoa, I'm so hot  
Oh, I'm so hot, oh I'm so hot, oh

So hot, yeah, so hot  
Ooh, so hot, oh, I'm so hot, yeah

So hot, aah, so hot  
Oh, I'm so hot, yeah, I'm so hot, aah

So hot, whoa, so hot  
Yeah, so hot, aah, I'm so hot  
So hot, so hot  
So hot, so hot

So hot, so hot  
So hot, so hot
