

Dead Hollywood

Capture the Crown

Wake the fuck up
To yourselves
You're all prisoners
Of your self-entitlement

Dead Hollywood...
Dead Hollywood!

Go!

Put your hands in the air
Get them motherfuckers out
(Dead! Dead! Dead Hollywood!)
Let me hear you scream
'Cause you want somebody dead
(Dead! Dead! Dead Hollywood!)
Now be your judging self
(Dead! Dead! Dead Hollywood!)
So if your free will is non-existent
(Dead! Dead! Dead Hollywood!)

You say that you can't live in this world
But you are the issue

Dead Hollywood...
Dead Hollywood!

We're a generation
Consumed by extremists
You are the disease

You'll lie, you'll die
You'll keep it on the inside
You'll lie, you'll die
You'll fake it till you make it

(One!) You can't be saved
(Two!) You can't be saved
(Three!) You can't be saved
(Four!) But you can't be cured 'cause you're already
(Dead! Dead!)

Dead!
Inside!

Put your hands in the air
Get them motherfuckers out
(Dead! Dead! Dead Hollywood!)
Let me hear you scream
'Cause you want somebody dead
(Dead! Dead! Dead Hollywood!)
Now be your judging self
(Dead! Dead! Dead Hollywood!)
So if your free will is non-existent
(Dead! Dead! Dead Hollywood!)

You say that you can't live in this world

But you are the issue
