## Capture the Crown

I am, my own worst enemy  
Exercising the stimulation  
Can't escape from the harsh reality  
I've been relentlessly  
Letting myself,  
GO!

I can feel myself slipping away,

One for every single pill that I take.  
I'll just take, till they take me from my bed and put me in my

With every hit that I take  
I thought his mind would come awake

I can feel myself slipping away,  
It's been a while since I've seen the light of day.  
One for every single pill that I take.  
I'll just take, till they take me from my bed and put me in my  
Grave!

Till they take me from my bed and put me in my  
Grave!

Til they take, till they take  
Now put these voices to sleep!
