

River Run

Cara Dillon

No, Please don't go.
No, Please don't leave yet.

You haven't heard me sing yet
You haven't seen my heart
You cannot understand yet,
what it means to be old

River run,
River deep
River come,
So I can sing you to sleep

River High
River Low
River guide, so I can tell you where to go.

Oooh, oohh, ohh ohh

River run,
River deep
River come,
So I can sing you to sleep
