

Monster

Carach Angren

It's not enough to be monstered by your look
Disfigured, maimed, malformed or crooked
Those wicked wretched and mangled from within
Yeah, they deserve the title for their filthy rotten sins

Monster
Monster

I'm a monster
A sick perverted psychopath
Evil, hideous
An ill-natured maniac

I won't exactly scare you from underneath the bed
I will torture, rape and dissect you
And I will not stop, even in death

Monster, ah, yes
Monster

You're a monster
A sick deranged creep
Grotesque, twisted
Miscreated fiend

Leviathan
Colossus
Demonic
Monster
