Caramell

We wonder are you ready to join us,  
Arms up yeah, yeah - now you'll see,  
Come on,  
Anyone can do this,  
So move on your feet,  
Oa-a-a,  
And wiggle your hips,  
O-la-la-la,  
Copy me,  
To this melody,

Come on now,  
Dance with us,  
Clap your hands now,  
Do like we do,  
Take some steps to the left,  
Listen and learn,  
Don't miss the chance,  
We're here now with,  
The caramel dance, yeah!  
O-o-oa-oa.  
O-o-oa-oa-a-o.  
O-o-oa-oa.  
O-o-oa-oa-a-o.

It'll be a sweet sensation everywhere,  
At parties, everybody will let loose,  
Come on,  
Let's do the steps again,  
So move on your feet,  
Oa-a-a,  
And wiggle your hips,  
O-la-la-la,  
Copy me,  
To this melody,

Come on now,  
Dance with us,  
Clap your hands now,  
Do like we do,  
Take some steps to the left,  
Listen and learn,  
Don't miss the chance,  
We're here now with,  
The caramel dance, yeah!

Dance with us,  
Clap your hands now,  
Do like we do,  
Take some steps to the left,
