

## Avalanches

Caravan Palace

Dance of whispers  
Under the sycamore  
Blooming in this  
Silent smiles

Think I'll thrive there  
Heaven was meant for us  
Flying with him  
Far and wide  
Far and wide  
Far and wide

Grounded haven  
Rented for ever  
And in the mist  
Glowing lights  
So delighted  
Drowning in happiness  
Floating with him  
Far and wide

Only with you, we'll be as one soon  
If it's in you, you will be loved soon  
Only with you, we'll be as one soon  
If it's in you, you will be loved soon
