

Fool

Caravan Palace

Call me a fool
Some of the things I do
Even I don't understand the man I love
I tried my best
My very best
Out of all the good I do
Out of all I do
Call me a fool

Call me a fool
Some of the things I do
I just don't understand the man I love
I tried my best
My very best
Out of all the good I do
Out of all I do
Call me a fool
