

Mira hacia el cielo pajarillo  
Hasta que puedas alcanzarlo  
Hambre, miedo, frío alondrita  
Ya se acaba tu calvario  
Pajarito

We're gonna have a good time  
Way by and by  
We're gonna have a good time  
Way by and by  
Meet my mind over there  
Meet my mind over there  
We're gonna have a good time

I'll take you to the sun, all the way  
The sun, all the way  
I'll take you to the sun, all the way  
The sun, all the way  
(Crazy, all night)

Al mirar el suelo ya no verás  
Polvo, nieve, roña o hielo  
También desaparecieron las plumas  
De los cuervos del pasado

I'll take you to the sun, all the way  
The sun, all the way  
I'll take you to the sun, all the way  
The sun, all the way  
I'll take you to the sun

We're gonna have a good time  
Way by and by  
We're gonna have a good time  
Way by and by  
Meet my mind over there  
Meet my mind over there  
We're gonna have a good time

Riding on my feathers  
We're gonna have a good time  
Lying on the floor  
Waving by and by  
Riding on my feathers  
We're gonna have a good time  
Lying on the floor  
Waving by and by

All the way, the sun  
I'll take you to the sun  
All the way, the sun
