This Time

Caravan

This time (this time), I am gonna give you all the lovin' you need (this tim
e)
This time, set your heart free, set your love free (this time)

How can I be at ease when I know soon I'll lay my eyes on you
I close my eyes imagining the moment that my dreams are gonna come true
The way you wear your hair, the shyness underneath your smile
The warmth of your embrace is gonna thrill me in just a little while
I rushed right in before but right now I'm gonna take my time
Every moment we share I'm gonna savor like a vintage wine

And when you kiss me (I'm gonna taste my lips) I won't let go
And when you hold my hand, baby I won't say no 'cause...

Ooh baby I want ya, I can't live without ya no way
I ain't never gonna love this way again
No time to pretend, no, no, this time
I'm so glad I've got another chance, mmm, to love you again
Oh this time

I can feel you closer to me, closer as the moment comes
I thank God for another chance to love that very special one (Thank you)
Will he return my love I've held on for so many years
I close my eyes to cry, then I heard you whisper in my ear...

Ooh baby I want ya (oh I want you), I can't live without ya no way (no way)
I ain't never gonna love this way again (no, no)
No time to pretend, no, no, this time (this time)
I'm so glad I've got another chance, mmm, to love you again
And again, and again, and again

Ooh this time, I'm gonna give you all the love I me
Set your heart free
Ooh this time it's gonna be forever (forever)
This time, I'm gonna give you all the love you need (all the love you need)
Set your love free (set your love free, set your heart free)
Ooh this time it's gonna be forever

Happiness I can't explain, inside I have you just for mine
I'm kissin' your lips, you're lovin' me
This phrase keeps runnin' through my mind...

Ooh baby I want ya (oh baby I want ya)
I can't live without ya no way (no way)
I ain't never gonna love this way again (never gonna love this way again)
No time to pretend, no, no, this time (this time)
I'm so glad I've got another chance (got another chance)
Mmm, to love you again
And again, and again, and again

Ooh this time, I'm gonna give you all the love I me (all the love in me)
Set your heart free, baby (set your heart free, set your love free)
Ooh, this time
This time, this time, I'm gonna give you all the love you need
(All the love you need)
Set your love free (set your love free, set your heart free)
This time, oh this time, oh this time it's gonna be forever

Ooh baby I want ya, I can't live without you no way
I ain't never gonna love this way again
No time to pretend, no, no, this time
I'm so glad I've got another chance, mmm, to love you again
Oh this time
