Gloryland

Carbon Leaf

If you have friends in Gloryland, Who left because of pain Thank God up there, they'll die no more They'll suffer not again.

Then weep not friends, I'm goin' home Up there we'll die no more
No coffins will be made up there
No graves on that bright shore

The lame will walk in Gloryland The blind up there will see The deaf in Gloryland will hear The dumb will talk to me

The doctor will not have to call
The undertaker, no
There'll be no pain up there to bear
Just walk the streets of gold

We'll need no sun in Gloryland The moon and stars won't shine For Christ Himself is light up there He reigns of love divine

Then weep not friends, I'm goin' home Up there we'll die no more
No coffins will be made up there
No graves on that bright shore
