Firmhand, iron fist, an ardent dexterous weeding process Overlord with a strong grip, viral containment, a harvesting gr id

Firmhand - unnatural selection is applied Firmhand - the final solution, eugenocide

Hate is the law, love under will Hate is their law, love under will

Transfusing, contagion breeds
Multi-cultured epidemic is released
Held firm, crushing grasp
A painstaking, callous, arduous task

Firmhand - indiscriminate selection is applied Firmhand - the final solution, eugenocide

Hate is the law, love under will Hate is their law, love under will With slight of their firmhand And deviancy is cleansed

Firmhand - unnatural selection is applied Firmhand - the final solution, eugenocide

Hate is the law, love under will Hate is their law, love under will

With slight of their firmhand With the might of their firmhand With slight of their firmhand And deviancy is cleansed
