

# This Mortal Coil

Carcass

Tearing down the walls  
Breaching frontiers, unlocking the gates  
To a new world disorder  
A fresh balance of terror, the equilibrium of hate/  
All flesh entwined, in the equality of pain

Archaic nescience unleashed  
Entrenched, a bitter legacy  
Tempered in mental scars  
All flesh entwined in mortal equality

Tangled mortal coil

Twisted and warped  
Tangled mortal coil
