# Descensus

**Carcosa**

Forgive me Father for I have sinned
I wish to hear your voice inside my head again
I shalt not veer a single step away from your path
Oh Almighty, omnipotent sociopath

The life that I once led is forgotten
I am born again, all shall fear your reign
For all that disobey you, my Lord
Will eventually be suffering forevermore

Father, bestow your love upon thee
You inherited my soul wholeheartedly
For I am weak without your touch
I am nothing, voice above
But all I seek is purpose
Oh please just forgive all that I've done

But all I seek is purpose
Oh please just forgive all that I've done

Forgive me Father for I have sinned
I wish to hear your voice inside my head again
I shalt not veer a single step away from your path
Oh Almighty, omnipotent sociopath

The life that I once led is forgotten
I am born again, all shall fear your reign
For all that disobey you, my Lord
Will eventually be suffering forevermore

I shudder to think of those who shun you...

Descensus

Forgive me Father for I have sinned
I wish to hear your voice inside my head again

We will watch it burn down
Burn
We will watch it burn
