

# Righteous Man

Carcosa

Say what again  
(I've said it before, and I'll say it again, I double dare you, motherfucker  
, say what again)

Alright, everybody be cool  
Everybody be fucking cool

I'm far from okay

I'ma call a coupla hard, pipe-hittin' mother fucker, who'll go to work on th  
e homes here with a pair of pliers and a blow torch  
You hear me talkin', hillbilly boy?  
Do you hear me?

Every time my fingers touch brain  
I'm Superfly T.N.T  
I'm the Guns of the Navarone!  
So I'm prepared to scour the earth  
For that motherfucker

The night of the fight, you may feel a slight sting  
That's pride fuck with you  
FUCK PRIDE  
It hurts, it never helps  
Your days are just about over now

Why do we feel it necessary to yak on about bullshit in order to be comforta  
ble?  
That's when you know you've found someone special

What does it feel like to kill a man with your bare hands?  
(The path of the righteous man)  
If you'll excuse me, I'm gonna go home and have have a heart attack

I don't remember asking you a goddamn thing  
And your ass ain't talking your way out of this  
(That's all you had to say)  
Say what again  
I double dare you, motherfucker, say what again

Say what again  
You're going to heed my words  
Path of the righteous man  
I've said it before and I'll say it again  
I double dare you, motherfucker  
Now watch me cock it back and pull

(Now watch me cock it back and pull)  
(Now watch me cock it back and...)

Does he look like a bitch?  
Say what again  
Say what again  
I double dare you, motherfucker, say what again

I've said it before, and I'll say it again...  
I double dare you, motherfucker, say what again
