Cardi B

Yeah, aye, it's Cardi, Kehlani  
It's you and I, baby  
Ah, ah, baby, yeah, look

I don't need a rich nigga just somebody that can make me feel  
Safe (Yeah, look)  
I deal with a couple niggas but nobody ever made me feel  
Safe like you (Facts)  
'Cause when I'm with you, I just know I'm fine (Know I'm fine)  
You take all the pressure off my mind (All the time)  
Patient and kind when I be going out my mind  
Safe from the problems, I don't worry 'cause I'm hard to find

I'm from the block, baby, it's you and I, baby (Block, baby, I, baby)  
If the world turn against me, who I got, baby? (Who I got, bitch?)  
Bust at your opps, baby, I'm feelin' fly, baby  
I'm talkin' ah, ah, ah, ah, ah, baby, huh?

I know that it's on you right now (Yeah, yeah)  
I'm feelin' right at home, safe in your arms, baby, come hold me down (Come hold me down, huh?)  
Safe like a key and a lock on me, safe like a crib with the combo, please  
Hold you down (Hold you down, down, down)  
I can put my guard down, I can pour my heart out  
Love when you around (Love when you around, huh? Look)  
Unplug the alarm now, show you all my cards now

I don't need a rich nigga just somebody that can make me feel  
Safe (Yeah, look)  
I cut off a couple niggas 'cause they never ever made me feel  
Safe like you (Facts)  
'Cause when I'm with you, I just know I'm fine (Know I'm fine)  
You take all the pressure off my mind (All the time)  
Patient and kind when I be going out my mind  
Safe from the problems, I don't worry 'cause I'm hard to find, 'cause I feel

Safe like I just ran and slid across the plate  
Safe like we playin' tag and you're home base  
Aye, safe like I got a big dog in a gate, grr  
Safe like you one of these hoes, play in my face  
Yeah, you know I know you know that I'm that bitch, right? (Uh)  
You got a girl that nigga wanna get right? (Uh)  
When I spazz and I crash, you ain't gon' dip, right?  
That's when I need you the most  
That's how I get right? Right?

Baby, I feel safe in your arms, I feel safe (Safe)  
Safe like the money, let it sit up in the bank (Safe)  
Safe like a car with the alarm, I feel safe  
My bodyguard right by my side, so I

I don't need a rich nigga just somebody that can make me feel  
Safe (Yeah, look)  
I deal with a couple niggas but nobody ever made me feel  
Safe like you (Facts)  
'Cause when I'm with you, I just know I'm fine (Know I'm fine)  
You take all the pressure off my mind (All the time)

Patient and kind when I be going out my mind  
Safe from the problems, I don't worry 'cause I'm hard to find

Safe, safe, safe (Ooh, safe, I feel)  
Safe, safe, safe (Ooh, safe, I feel)  
Safe, safe, safe, safe, safe, safe  
I feel like I'm VIP, I feel like I trust my man, it gives security, ha
