

# Salute

Cardi B

Yeah  
Yeah  
Yeah  
Yeah, yeah

You mean to tell me you'd die over nothin'?  
Ho, everybody fuckin', that's the end of discussion (End of discussion)  
Bitch like me that came out the mud  
Might help somebody out 'cause I came up from nothin' (Came up from nothin')  
Big Bardi in a big-body Benz  
With a big-body kit, put the lane over somethin' (Yeah)  
He getting mad, won't give him my number  
Cup in the middle got me feelin' December (Woo)  
Put in lotta work, I'm gonna kill it this summer (Kill it this summer)  
Been on a yacht, no ceilin' this summer (Summer)  
Bitch been bad, so it make you curious  
Never switched up, so you can't be serious (Yeah)  
Disrespect me, yeah, you can't be serious (Huh)  
I'm in a Lam', it can't be yours  
I'm in a Urus, my world premature  
When I look around, I have children on childrens (Ah, haha)  
Killin' the game, my heart the purest  
I need my flaws, now call the verse  
I plant the seeds, it's time to flourish  
Don't turn on that street, it's not for tourists (Skrtrt)  
You know I'm livin' it up when I'm liftin' it up  
Let a nigga know I came to stunt (Yeah)  
Then we gon' park in the front, wasn't sittin' in the front  
Let a nigga know I came to front (Woo)  
This shit is bigger than us, let you know that it's bigger than us  
'Cause they pickin' it up (Yeah)  
Takin' the lingo, the fashion, the foreign cars  
Man, bitches is eatin' it up (Eatin' it up)  
I am the reference, yeah, I am the vision board  
I put that shit on these bitches, they can't ignore  
Hustle too hard to ever be unemployed  
Just like a Honda, got things in accord

Salute the real bitches  
Salute the real bitches (Salute)  
Salute the real bitches  
Salute the real bitches (Salute)  
Salute the real bitches  
Salute the real bitches (Salute)  
Salute the real bitches  
Salute the real bitches (Salute)

High off a molly, my breasts are like Dolly  
I'm ridin' my nigga just like a Ducati (Just like a Ducati)  
Choppin' the top off the car like karate  
Eliantte put a bracelet up on me  
Shorty tried stealin' my style, but I caught her  
Send me a picture of drip and I bought it (Ice)  
Bardi an icon and this is iconic  
Made a few millions off talkin' Ebonics  
I am too blessed to be talkin' demonic (Talkin' demonic)  
I switched the lies and gained the money

Rub on the thighs and kiss on the stomach  
My watch is sick, it's makin' 'em vomit (Bleh)  
My throat as long as a trumpet (Trumpet)  
If my bitches say fuck it, then fuck it (Fuck it)  
Hold your partner up just like some crutches (Yeah)  
Got her pussy wet just like a bucket, fuck it (Woo)

Salute the real bitches  
Salute the real bitches (Salute)  
Salute the real bitches  
Salute the real bitches (Salute)  
Salute the real bitches  
Salute the real bitches (Salute)  
Salute the real bitches  
Salute the real bitches (Salute)
