

Hello Mr. Sparrow

Cardiacs

My leg is
On fire oh
Isn't it a fact
I've seen it
And it appears quite a task lasting forever

I've got the mind of an eel
But I'm fizzing all the time
I've got an eel now
But I'm fizzing all the time

I'd say, I'd say
I'd say, I'd say
Fine accomplished day to day
Bide my time in my own way
It's passing me over

Meet me once upon a time
But obviously don't ignore it's me
I'm here you see
I've got no say in it anyway

Isn't it a fact,
But a funny thing to say
Why do you stay in
On such a lovely sunny day
I'd say, I'd say
I'd say, I'd say
Fine accomplished day to day
Bide my time in my own way
It's passing me over

Meet me once upon a time
But obviously don't ignore it's me
I'm here you see
I've got no say in it anyway
"Ha ha ha ha!"
