

## Quiet As A Mouse

Cardiacs

Oh look  
And they run back and then pat on the head  
Hang on, can we not make them alive?  
That's wicked  
No, because like put all the dead ones in a round circle  
Yeah, pretty as a picture  
Why, why would they not be better alive?  
Because for a lot of people  
This one looks too quiet  
Quiet as a mouse

Look who's coming round the corner  
Hello  
Do you know him?  
It's tiny Bob Leith, pretty as a picture  
Shall, shall we beat him senseless?  
Yes, but this is where I take my time

Quiet as a mouse
