

Hey, I'm falling  
I'm running against the time  
With my back against the wall  
Hey you, can you see me  
I'm trying to hide on the top  
No more than a reflection of a man  
I used to be

Living in a distant world  
Out of the line  
I've chosen my own fate  
It's another place and time  
I walk on this road I've been shown

I won't dream....

Oh, I'm crawling  
My spine is scraping the ground  
This is not where I want to be  
Hey you, can you see me  
The curtain's been down for a while  
No more than a reflection of a man  
I used to be

Wandering without a course  
I'm up a creek  
No paddle in sight

I need to get back on the road  
I've been on

I won't dream or wait for another day  
I'll take all that is mine  
Mirrors reflecting no more

I believe my life is not meant to be  
A story of riches to rags  
The blank star shines forevermore
