

From The Heart

Career Soldiers

For what it's worth this means everything to me
More than I can put on a lyric sheet
When things finally start to get better
I'll be there for you - WE'LL BE THERE TOGETHER!
All the memories we've shared, yeah I remember
While so many gave up, we said never surrender
Whatever tomorrow brings, we're in this together
Cause in a world of shit - THIS IS FOREVER!
What we lack in talent, we make up in sincerity
I swear to you I mean every word I scream
I know in my heart with every beat
This fire won't burn out and this feeling will never leave

Scream from the heart, scream together
And keep on screaming because this is forever
Scream from the heart, scream together
In a world of shit - THIS IS FOREVER!

Turn the amps to 11, scream 1, 2, 3, GO!
Keep on playing cause that's all we know
Empty pockets with nothing to show
Dead end youth with nowhere to go
For my friends who I know that are true
Fucked up kids who were born to lose
If we have nothing in this world, we'll still have our friends
If there's one thing that I know, we'll be there in the end

TODAY, TOMORROW, AND FOREVER
FROM THE HEARTS THAT ARE BEAT DOWN AND WEATHERED
THIS SOUND YOU HEAR IS FUCKING REAL,
THE ONE THING THAT'S MIND YOU CAN NOT STEAL!
