

# One Night Stand

Carissa's Wierd

If I could just see straight  
I'd probably head straight for the door  
Please don't ask me what my thoughts are  
'Coz I don't care about yours

Must be a hole in my hat  
Where my thoughts are slipping out of my head  
And it doesn't really matter now  
God damn it, it will tomorrow

Suddenly a wonderful evening  
Turned into a sour sunrise  
Suddenly all the best feelings  
Turned to my unpleasant surprise

So I guess that I'm sorry  
(So I left it all on the coffee table)  
For everything I didn't mean to say  
(I couldn't apologize in the drink)  
And I guess that I'm sorry  
(Small talk and pills are so simple)  
For everything that I had to say  
Since we're still doing quite well  
This really isn't like me at all (x3)

Suddenly a wonderful evening  
Turned into a sour sunrise  
Suddenly all the best feelings  
Turned to my unpleasant surprise

Must be a hole in my hat  
'Cos there's a hole in my head  
And it opens me up  
This isn't me at all

Must be... I guess it felt like it's right  
... if I can't stand up I'll have a one night stand  
If I couldn't stand up I'd have a one night stand
