we dont stand on common ground  
we might as well talk, talk about you  
and all the brilliant things that you do

and in the event you left me sitting  
in the smoking lounge of an airport....  
i'll write you a letter and send it away  
you left me sitting in the smoking lounge  
of an airport...  
why do i turn into such a dumb wreck  
every time that you...  
i'll break your...  
whiskey and coffee...  
just fine talking about the way that  
i'll break your....
