

Baby I Need Your Loving

Carl Carlton

Oh, oh-ho, oh... baby
Girl, I need, I need, I need
I need, I need, I need your love
On a bright sunny day, yeah

Baby, I need your loving (I need you, baby)
Baby, I need your loving (ooh, I need you, baby)
Although you're never near (ooh, I need you, baby)
Your voice I often hear (ooh, I need you, baby)
Another day, another night (ooh, I need you, baby)
I long to hold you tight (ooh, I need you, baby)
That's why I'm so lonely

Baby, I need your loving
Got to have all your loving
Baby, I need your loving
Got to have all your loving

Some say it's a sign of weakness (I need you, baby)
For a man to cry (ooh, I need you, baby)
Then bein' weak I'd rather be (ooh, I need you, baby)
If it means having you to keep (ooh, I need you, baby)
'Cause lately I've been losin' sleep, oh...

Baby, I need your loving
Got to have all your loving
Baby, I need your loving
Got to have all your loving

I need you and I want you, baby
I love you and I want you, baby
I need you and I want you, baby
I love you and I want you, baby

When you see me smiling
(I need you and I want you, baby)
You know things have gotten worse
(I love you and I want you, baby)
Yeah, any smile you might see, darlin'
(I need you and I want you, baby)
Have all been rehearsed
(I love you and I want you, baby)
Darlin', I can't go on without you
(I need you and I want you, baby)
This emptiness inside won't let me live without you
(I love you and I want you, baby)
This loneliness inside me, darlin'
(I need you and I want you, baby)
Makes me feel half alive, oh baby
(I love you and I...)

Baby, I need your loving
Got to have all your loving
Baby, I need your loving (girl, give me all your love)
(Your love to me)
Got to have all your loving
Baby, you've got the best love that I ever had

(Baby, I need your loving)
I need it, I need it, I need it, yeah
(Got to have all your loving)
I can't see myself bein' all alone without you, baby
(Baby, I need your loving)
Give it to me, oh...
(Got to have all your loving)

Girl, you've got the best love that I ever had
Give it to me
Ooh, you'd better give it to me, baby
Ooh baby, I gotta have all your loving
Gotta have all, gotta have all, gotta have all, oh

(Baby, I need your loving)
(Got to have all your loving) make me feel like a real man, baby
(Baby, I need your loving)
(Got to have all your loving) I need it, I need it, I need it, I need it
Oh, oh... (baby, I need your loving) girl, give it to me
(Got to have all your loving...)
