

Dance With You

Carl Carlton

Oh, I'm hot... hot, hot, hot, mm-hm...
(Dance with you)
Let me tell you, that the 4th of July (4th of July)
Can't compare it to the spark in your eyes
(I just want to dance)
Let me tell you, that the 4th of July (4th of July)
Can't compare it to the spark in your eyes

I like the way, baby
I like the way that you move
'Cause when you move side to side
Girl, you've got me hypnotized
For your love, ooh, you've got me
You're just a fine foxy lady
Foxy lady, drive me crazy
When you do what you do
But don't think I'm out to catch you
I don't want a one night stand
I just want to dance with you

Ooh, love is passing by
Girl, it's blowin' my mind
I don't know what to do with this feeling
I'm taking a chance
All I wanna do is light the fuse
And start an everlasting groove, ooh!

(Dance with you)
Let me tell you, that the 4th of July (4th of July)
Can't compare it to the spark in your eyes
(I just want to dance with you)
Let me tell you, that the 4th of July (4th of July)
Can't compare it to the spark in your eyes

Oh, hey baby, without a doubt
I'd love to take you out anytime
No doubt about it
I'd like to begin just close enough to feel
The way you do, girl, do it to me
Now there's a 4th of July
But you compare it to the spark in your eyes
(Can't compare it to the spark in your eyes)
DJ, turn the music up, turn it up a little louder
(Because she's messin' with my mind)

Ooh, I've opened up my eyes
Girl, I realize
I know now what to do about this feeling
Girl, I'm into you
I see what you wanna do is light the fuse
And start an everlasting groove

(Dance with you)
Let me tell you, that the 4th of July (4th of July)
Can't compare it to the spark in your eyes
(I just want to dance)
Let me tell you, that the 4th of July (4th of July)

Can't compare it to the spark in your eyes
(Dance with you)
Let me tell you, that the 4th of July (4th of July)
Can't compare it to the spark in your eyes (light the fuse, baby)
(I just want to dance) (on a hot, on a hot summer night)
Let me tell you, that the 4th of July (4th of July)
Can't compare it to the spark in your eyes (ooh, I'm hot, baby)

Ooh, I'm ready, baby...
(Girl, you've got me burnin' hot
Girl, you've got me burnin' hot
Girl, you've got me burnin' hot
Girl, you've got me burnin' hot)
(Hot, hot, hot, hot, hot, hot...)
Hey girl, let me tell you
I'll never let you go
Once I get you on the floor

(Dance with you)
Let me tell you, that the 4th of July (4th of July)
Can't compare it to the spark in your eyes
(I just want to dance with you)
Let me tell you, that the 4th of July (4th of July)
Can't compare it to the spark in your eyes

Baby, let me tell you (hot, hot, hot...)
I feel hot, I feel hot
I can see the fire in your eye, baby
Ooh, I'm red hot, baby
Don't tease me like this, baby, ooh
It's a hot, it's a hot summer night
Let's get on the floor, baby
Me, me and you, on a hot
(Dance with you) hot summer night...
