

Don't Walk Away

Carl Carlton

I don't know how to say (that I love you)
Ooh-hoo, baby (woo-hoo, baby)
Lookie here, girl (don't, don't go away)
Oh no, no no, no no (honey)
Mmm, mmm...

And I'm tryin' to show you (I love you), oh yeah
(Can't you see) that I need you (I need you), yes I do (I need you)
(The way...) I look at you, girl (when you walk)
Mm girl, you set my soul on fire
(The way...) I listen (when you talk)

Oh yeah, every word is my desire
Oh yes, it is, you know your word is my desire

Baby, I don't know how (I don't know how)
To say (that I need you)
That I really, really love you, honey (ooh-hoo, honey)
Hey girl (can't you see)
I, that I, I really love you, girl (oh baby)
Oh yeah (I love you, I love you)

And I'm tryin' to show you (to show you), oh yeah
(How I feel) I look at you, girl
(I want you, I want you)
(The way...) mm girl, you set my soul on fire
(When you talk) I listen
(The way...) oh yeah, every word is my desire
(When you talk) hey girl, don't walk away

I need your love (don't walk away)
Don't walk away (don't walk away)
I need you so (don't walk away)
Don't you ever leave me, darlin' (don't walk away)
Yeah, because I love (don't walk away)
Love, love, love, love (don't walk away)
Oh, I love you, girl (don't walk away)
Oh, girl... (don't walk away)
Yeah, don't you ever leave me, baby (don't walk away)
Don't walk out that door, darling (don't walk away)
Don't you see, can't you see (don't walk away)
Can't you see that I love you? (don't walk away)
Don't walk away, yeah (don't walk away)
Oh, don't walk away (don't walk away)
Don't walk away, baby (don't walk away)
Don't... don't ya, don't ya (don't walk away)
Don't ya ever leave me, darlin' (don't walk away)
