

Something's Wrong

Carl Carlton

Something's wrong, you've been gone too long
Something's wrong, you can't come back home
Something's wrong, I don't know why you're gone
All I know is something's wrong, something's wrong

I've been good
I brought my money home, like I said I would
I would've brought more home, baby if I could

Hey, I don't know why you're gone
All I know is something's wrong
(Something's wrong) real, real, real wrong

Hey, hey, hey, child philosophy
Hey, look what you're doin' to me, yeah
Huh... stayed out all night long
Girl, won't you come back home?

You've been runnin' around all over town
Hey now, all night long
Just ain't right, hey, just ain't right
Huh, I once was blind, but now I see
The bad things that you do
It ain't right, hey, just ain't right

Something's wrong, something's wrong
Something's wrong here, something's wrong

Hey, hey, hey, child philosophy
Hey, look what you're doin' to me, yay
Stayed out all night long
Girl, won't you come back home?

Hey, I don't know why you're gone
All I know is something's wrong
(Something's wrong) hey, something's wrong
Oh-oh, I don't know why you're gone
All I know is something's wrong
(Something's wrong) hey, tell me baby
Won't you come back home?
(Something's wrong) something's wrong
Real, real, real wrong
I don't know why you're gone
All I know is something's wrong
(Something's wrong) hey, tell me baby
Won't you come back home?
(Something's wrong) something's wrong
Oh baby, huh! Sittin' here all alone
I don't know why you're gone
All I know is something's wrong
(Something's wrong) hey, come on, come on
Come on, come on back home

(Something's wrong) something's wrong
Don't wanna be at home alone
All I know is something's wrong
(Something's wrong) hey, hey baby

Won't you come back home?
(Something's wrong) something's wrong
I don't know why you're gone
All I know is something's wrong
(Something's wrong) hey, hey baby
Baby, won't you come back home?
(Something's wrong) something's wrong...
