

# Hambone

Carl Perkins

Hambone hambone where you been  
I've been to hollywood city and I'm going again  
What did you go out there to do  
Well I went there to make a picture or two

Uh say, How'd they like you in Hollywood  
Well now Frankie and the boys said I done real good  
Uh what did you do to get sent back home  
I did a little too much for the greater hambone

Mmm hambone with a crazy beat  
Hambone knock you off your feet  
Hambone well just step aside  
Hambone take a little guitar ride

Here I am for the second time (hambone)  
Standing on the corner of Hollywood and Vine (hambone)  
Here comes a live one down the street (hambone)  
Well that's the guy that's awaiting me (hambone)

Bad eyed colonel with a big cigar (hambone)  
How bout you making me a big star (hambone)  
All I want to do is see my name in lights (hambone)  
Said Hambone gonna pick a head tonight (hambone)

Hambone (hambone) got a crazy beat  
Hambone (hambone) knock you off your feet  
Hambone (hambone) you better step aside  
Hambone take a little guitar ride
