

Just Thought I'd Call

Carl Perkins

I just thought I'd call, to let you know
Darlin' I'm lonesome, I miss you so
Thought I'd call, to check again
See if my sweetheart had got back in

I been a-missin' your kissin', I had to cry
I never miss my water oh, till the well runs dry
Thought I'd call, to check again
See if my sweet thing, had got back in

I was conceited, walked on you heart
You shoulda put your foot down, baby from the start
I thought I'd call, just to let you know
Darlin' I'm lonesome, I miss you so

I thought I'd call, to let you know
Darlin' I miss you, I love you so
Thought I'd call, to check again
See if my sweetheart had got back in
Well let's go!

Thought I'd call, to let you know
Sugar I'm lonesome, yeah I need you so
Thought I'd call, just to check again
See if my sweetheart had got back in
