

# Superfool

Carl Perkins

I had the world's best girl in my arms  
And I let her go  
If that ain't foolish what it is  
I'd like to know

My brain shoots blanks  
'Cause I'm as dumb as dumb can be  
Folks, if you're looking for a fool  
Don't look no further than me

'Cause I'm a superfool  
Lord, I'm a fool  
I'm a superfool  
Lord, I'm a fool

When it comes to been stupid  
Man, I come on strong  
My baby done me right  
But I've done my baby wrong

And I'm a superfool  
Lord, I'm a fool  
I'm a superfool  
Yes, I'm a fool

I've buried her love'  
Like a dog would bury a bone  
When I went back to get it  
Some other cat had it, you're gone

My brain shoots blanks  
I'm as dumb as dumb can be  
And, if you're looking for a fool  
Don't look no further than me

'Cause I'm a superfool  
Lord, I'm a fool now  
I'm just a superfool  
Yes, I'm a fool

Is it a bird? No  
Is it a plane? No  
It's a superfool?  
Yeah, and that's me
