

Y.O.U.

Carl Perkins

Who tells me that love me when the world turns me down
who's that's sweet thing is always around is y.o.u.
why oh y.o.u.
Who kisses me and tell me that is all alright
they gave lovin' all through the night is y.o.u.
why oh y.o.u.
Why oh y.o.u. don't me tomorrow with you darling
you've got that turn
Who tells me that love when the world turned me down
who's that's sweet thing is always around is y.o.u.
why oh y.o.u.
Cause it's just y.o.u. don't wander too that can
through me darling like you do oh oh oh
Who tells me that love me when the world turns me down
well your that's sweet thing is always around is y.o.u.
why oh y.o.u.
