

I Love You Because

Carl Smith

~~~~~♪~~~~~

I love you because you understand, dear  
Every single thing I try to do  
You're always there to lend a helping hand, dear  
I love you most of all because you're you

No matter what the world may say about me  
I know your love will always see me through  
I love you for the way you never doubt me  
But most of all I love you 'cause you're you

~~~~~♪~~~~~

I love you, love you because my heart is lighter
Every time I'm walking by your side
I love you, love you because the future's brighter
The door to happiness you've open wide

No matter what may be the style or season
I know your heart will always be true
I love you, love you for a hundred reasons
But most of all I love you 'cause you're you
