

Oh, No!

Carl Smith

Oh no don't start me fallin' in love again
I'm tryin' to recover from the lovin' that I had the last time
Oh no don't start me wishin' on start again
I'm too serious to huddle and cuddle just for pass time
You're sweet you're thrillin' but I think I'd rather don't touch
If I hold you like I'm wantin' to I might love you a little too much
Oh no I just can't hurt again can't you see
I'm afraid I wanna keep you if I kiss you tenderly
And I know you're not in love with me
[guitar]
Oh no I've seen you playin' that love before
You love 'em and deceive 'em and you leave 'em and you think you're clever
Oh no don't tempt my lonely heart anymore
I never could resist you if I kissed you I'd be lost forever
You're mean to tease me you're set all cookin' my goose
I know if I ever hold you near or have I hard time turnin' you lose
Oh no I just can't hurt again can't you see
I'm afraid I wanna keep you if I kiss you tenderly
And I know you're not in love with me
[guitar - steel]
You're sweet you're thrillin'...
