

## Round 2

Carl Thomas

Got me at a lost for words  
Last night we went hard  
Look what we did to the bedroom baby  
Wine spills and battle scars and I am not sure who you are  
Whatever we did let's forget about it lady  
I can remember because we started at the car and after  
That I don't really know  
How many drinks did I buy you at the bar? To make this appear all alone  
You know better, I know better  
I am going back so there aint no need to figure it out  
So bring your body back around your time is right now  
Let's go to round 2  
Let's go to round 2  
So take it back out there 2 my babe  
And Imma knock it out, knock it out, knock it right back around

Girl  
Love unpredictable  
And we always so incredible  
Whatever we need to keep the fire going lady  
Who knows what the future holds  
All I know is that we both grown  
As long as we are here  
We might as well not waste it

I can remember because we started at the car and after  
That I don't really know  
How many drinks did I buy you at the bar? To make this appear all alone  
You know better, I know better  
I am going back so there aint no need to figure it out  
So bring your body back around your time is right now  
Let's go to round 2  
Let's go to round 2  
So take it back out there twoooo my babe  
And Imma knock it out, knock it out, knock it right back around

Your body is a private party  
So let me up inside  
Right away  
I am the only one invited  
So we can have a good time, good time, good time oooooh  
Give it to me girl oooooohhhh  
And make it do what it do to  
Let's go to round 2  
Let's go to round 2  
Take it back to round 2  
Because you know what we came to do twoooo my babe  
And Imma' knock it out, knock it out, knock it right back around  
Yeah yeah

Let's go to round 2  
Round 2  
Let's take it right back  
Cause I am gonna knock it out
