

Funeral Face (66 Inches)

Carla's Dreams

To be there when you smile
To be there when you cry
To be there when you're lonely

To be there when you're sad
To be there when you're mad
Just to be there for you

You said you'll always be mine
And that we'll be just fine
And that I am the only

Try too hard to be good
But you've misunderstood
All my feelings for you

But tonight, I'm the funeral face
And the funeral face is lonely
Yes tonight, I'm the funeral face
And the funeral face doesn't smile

But tonight, I'm the funeral face
And the funeral face is lonely
Yes tonight, I'm the funeral face
I may be drunk but I just want you to know

I'm really walking down the line
Searching for your love
Searching [?] in vain for you

Sixty-six inches real into the left
Then real into the right
And I'm back at the start
Sixty-six inches real into the left
Then back to the right
I'm drunk but I don't give a fuck

Sixty-six inches real into the left
Then real into the right
And I'm back at the start
Sixty-six inches real into the left
Then back to the right
I'm drunk but I don't give a fuck

Sixty-six inches real into the left
Then real into the right
And I'm back at the start
Sixty-six inches real into the left
Then back to the right
I'm drunk but I don't give a fuck

Sixty-six inches real into the left
Then real into the right
And I'm back at the start
Sixty-six inches real into the left
Then back to the right
I'm drunk but I don't give a fuck
