

Funeral Face

Carla's Dreams

To be there when you smile
To be there when you cry
To be there when you're lonely
To be there when you're sad
To be there when you're mad
Just to be there for you
You said you'll always be mine
And that we'll be just fine
And that I am the only
Tried so hard to be good
But you've misunderstood all my feelings for you

But tonight I'm the funeral face
And the funeral face is lonely
Yes, tonight I'm the funeral face
And the funeral face doesn't smile
But tonight I'm the funeral face
And the funeral face is lonely
Yes, tonight I'm the funeral face

I may be drunk, but I just want you to know

I'm reeling, walking down the line
Searching for your love
Searching up in vain for you
I'm reeling, walking down the line
Searching for your love
Searching up in vain for you

66 inches reelin' to the left then reelin' to the right
And I'm back at the start
66 inches reelin' to the left then back to the right
I'm drunk but I don't give a fuck

66 inches reelin' to the left then reelin' to the right
And I'm back at the start
66 inches reelin' to the left then back to the right
I'm drunk but I don't give a fuck

66 inches reelin' to the left then reelin' to the right
And I'm back at the start
66 inches reelin' to the left then back to the right
I'm drunk but I don't give a fuck

66 inches reelin' to the left then reelin' to the right
And I'm back at the start
66 inches reelin' to the left then back to the right
I'm drunk but I don't give a fuck
