

Wednesday

Carla's Dreams

It's Wednesday
I'm fully automatic
Going out for a walk
And all I want is to find free love

Observing numbers in time
Emotions of life
Feeling lonely inside
I'm not the one

I'm dreaming
About all the places that I've never been
And all i need
Is some brand new pills to begin

Observing numbers in time
Emotions of life
Feeling lonely inside
I'm not the one

I'm sick of lies
Role-playing snobs, hypocrisy and me

Observing numbers in time
Emotions of life
Feeling lonely inside
I'm not the one
