

Appalachian Eyes

Carlene Carter

Morning fell
Like the hair round her sure was soft and shinin'
And the valley was green
As the eyes of the man who could not hold her
She was the reason
Many heart beat blue, blue, blue

Oh your blue, blue, blue Appalachian eyes
Oh your blue, blue, blue Appalachian eyes

I saw her runnin' scared like the look on her face
She lost her shoe
Never turned to look back
I could not help her
She was the reason
Many heart beat blue, blue, blue

Oh your blue, blue, blue Appalachian eyes
Oh your blue, blue, blue Appalachian eyes

Sure as a "bullet"
She lost her love slipping silently over Clinch Mountain

Oh your blue, blue, blue Appalachian eyes
Oh your blue, blue, blue Appalachian eyes

Oh your blue, blue, blue Appalachian eyes
Oh your blue, blue, blue Appalachian eyes

Oh your blue, blue, blue Appalachian eyes
Oh your blue, blue, blue Appalachian eyes
