

# Baby

Carlie Hanson

You're the only thing I've been good at baby  
You're the only thing I want  
You're the only thing that makes me happy  
That's the worst part of all  
I'm just going to let you know right now  
Without you isn't going to cut  
So if you ever try to leave me baby  
You're the only thing I've been good at baby

Look at the light how  
Look how it hits your eyes

My

Look at the house how  
All of the clothes laying on the floor  
Maybe I should close the door  
Maybe I'm too young for this  
Maybe no I'm not  
Everyone around me  
Figures we'll give up  
I  
Go a little too far  
And I question everything

You're the only thing I've been good at baby  
You're the only thing I want  
You're the only thing that makes me happy  
That's the worst part of all  
I'm just going to let you know right now  
Without you isn't going to cut  
So if you ever try to leave me

Name on stone  
I'll write it  
Plain, simple  
Stay, don't go  
Go

Maybe I'm too young for this  
Maybe no I'm not  
Maybe I'm too young to be someone that you want  
I  
Go a little too far  
And I question everything

You're the only thing I've been good at baby  
You're the only thing I want  
You're the only thing that makes me happy  
That's the worst part of all  
I'm just going to let you know right now  
Without you isn't going to cut  
So don't you ever try to leave me baby
