

Come Back Around

Carlie Hanson

We never laugh like we used to
We never talk like we want to
Sent a text, like, is something wrong? Yeah, yeah
You know I really know you
But it feels like I don't know you
When I thought you were my only one

Why you always looking at me like that?
Why you always tryna go and fight back?
I don't wanna be here when you're like that
I don't wanna be here when you're like that (Are you happy?)

Come back, back around
I can see it on your face, you don't want me around
Come back, back around
Don't you leave me when I'm down, are you happy now?
Come back, back around
I can see it on your face, you don't want me around
Come back, back around
Don't you leave me when I'm down, are you happy now?

I don't need a fake smile, moving backwards
We're in a place now, make my back hurt
Sick of being stressed out, chasing what I'm after
I'll just hold my breath now, crying like an actor
But I'm not an actor, see it in my face now
I'm not going backwards
I'm not going backwards
No, I'm not going back

Why you always looking at me like that?
Why you always tryna go and fight back?
I don't wanna be here when you're like that
I don't wanna be here when you're like that

Come back, back around
I can see it on your face, you don't want me around
Come back, back around
Don't you leave me when I'm down, are you happy now?
Come back, back around
I can see it on your face, you don't want me around
Come back, back around
Don't you leave me when I'm down, are you happy now?

Are you happy now? No
Were you happy then? No
Do you miss me? Can you hear me?
Are you on your way home?
Are you happy now? No
Were you happy then? No
Do you miss me? Can you hear me?
Are you on your way home?

Come back, back around
I can see it on your face, you don't want me around
Come back, back around
Don't you leave me when I'm down, are you happy now?

Come back, back around
I can see it on your face, you don't want me around
Come back, back around
Don't you leave me when I'm down, are you happy now?
