Catch myself standing on the balcony
I look over you, know that you get mad at me
I always gotta fall right back in
I always gotta fall right back in you

I'm stuck in the dead of your eyes
Say that I'm alone, but I know that I'm not
I sat you down and I set you on fire
Every time I'm out late, every time I'm around you
I love you
I love you
I love you

I don't know if I'm alright with feeling like water when you tr
eat me like iron
Where I'm going is alright
I'm running right back, I realize I'll never get it
No-no, I don't wanna say it louder
No-no, I don't wanna say it louder
No-no, I don't wanna say it louder
No-no, I don't wanna sing it out

I'm stuck in the dead of your eyes
Say that I'm alone, but I know that I'm not
I sat you down and I set you on fire
Every time I'm out late, every time I'm around you
I love you
I love you
I love you

We don't have to talk about it (I'm running from)
We don't have to talk about it (I'm running from)
We don't have to talk about it (I'm running from)

I'm stuck in the dead of your eyes
Say that I'm alone, but I know that I'm not
I sat you down and I set you on fire
Every time I'm out late, every time I'm around you
I love you
I love you
I love you
