

# High On A Mountain

Carly Goodwin

You proved untrue  
Now I don't  
Know what to do  
All the faith  
I had is gone  
How could I  
Have been so wrong

(Chorus)

And I'm going high on a mountain  
Leave my troubles all behind  
Where I can see more clearly  
Oh it's time for me to make a brand new start  
So I'll go high on a mountain in my heart

You called me  
Your Montana rose  
Now this city  
Feels so cold  
In concrete canyons  
You killed my love  
Now it's wide open spaces I dream of

(Repeat Chorus 2x)
