

# Careless

Carly Pearce

Don't call me  
I've heard it all before the last time you said you were sorry  
And all this back and forth is getting old  
You're just the boy who cries love  
Then you turn around and run  
Yeah, you're the boy who cries love  
You do it just for fun

And baby, you were careless with my heart  
Said forever then you let it fall apart  
You left me crying there on the floor, walked out the door  
Like it was nothing  
And baby, you were reckless with my love  
I gave you all I've got, you just gave it up  
So it don't matter how much you've changed or the look on your face  
When you say you want me, you miss me tonight  
Baby, I could care less

And I know you  
And all the empty breath of your promises  
No, it ain't nothing new  
The only thing different is me  
'Cause you're just the boy who cries love  
And I took you back every time  
Yeah, you're the boy who cries love  
Oh well, not tonight

Baby, you were careless with my heart  
Said forever then you let it fall apart  
You left me crying there on the floor, walked out the door  
Like it was nothing  
And baby, you were reckless with my love  
I gave you all I've got, you just gave it up  
So it don't matter how much you've changed or the look on your face  
When you say you want me, you miss me tonight  
Yeah, baby, I could care less  
Yeah, baby, I could care less

I'm calm, cool, collected  
Keeping my heart locked up, protected  
Now all your begging and pleading is bouncing back to you  
An echo in the cold hard truth

You're just the boy who cries love  
You're just the boy who cries love  
Well, I hope you have fun

'Cause baby, you were careless with my heart  
Said forever then you let it fall apart  
You left me crying there on the floor, walked out the door  
Like it was nothing  
Yeah, baby, you were reckless with my love  
I gave you all I've got, you just gave it up  
So it don't matter how much you've changed or the look on your face  
When you say you want me, you miss me tonight  
Yeah, baby, I could care less  
Yeah, baby, I could care less

You're just the boy who cries love
